

NEWBORN INSURANCE REMINDER

CONGRATULATIONS TO NEW BABY AND PARENTS

WELCOME TO OUR PRACTICE

There are so many things to do now that your baby is here. It is easy to forget that you only have **30 days** from birth to add your child to your insurance policy. **Call** the phone number on your insurance card for instructions on how to enroll your baby with your plan. If you are required to **choose** a Primary Care Physician be sure to name one from our group. We need a copy of a valid insurance card for your baby so we can file your claims. Call our Billing Office if you have any questions but **remember**, we can't file without this information.
